WE WELCOME YOU TO COCAINE ANONYMOUS

Cocaine Anonymous is a Fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others recover from their addiction. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.*

So what does “and all other mind-altering substances” mean? It means that it is the collective experience of the members of Cocaine Anonymous that addiction is a problem not limited to any one substance. It means that C.A.'s Twelve Steps are not drug-specific, and that Cocaine Anonymous is not a drug-specific fellowship. It means that it doesn't matter to us if you drank or what type of drugs you used; if you have a desire to stop, you are welcome here!**

Groups included in this directory are listed at their request. A directory listing does not constitute or imply approval or endorsement of any group's approach to, or practice of, the traditional C.A. program. In the spirit of Tradition Six, C.A. is not allied with any sect, denomination, politics, organization or institution.
