So, what does “and all other mind-altering substances” mean? It means that it is the collective experience of the members of Cocaine Anonymous that addiction is a problem not limited to any one substance. It means that C.A.'s Twelve Steps are not drug-specific and that Cocaine Anonymous is not a drug-specific fellowship. It means that it doesn't matter to us if you drank or what type of drugs you used; if you have a desire to stop you are welcome here!”
